## BANKING AND FINANCE ASSOCIATE

---

We are currently looking to hire a high caliber Junior Associate in our market leading Banking and Finance team in Jakarta.

This is an exciting opportunity to work with a leading Indonesian commercial law firm, Hiswara Bunjamin & Tandjung (HBT). HBT provides high quality, innovative Indonesian legal services, based on informed and commercially relevant local knowledge, working together with our associated leading international firm Herbert Smith Freehills.

Our banking and finance services in Jakarta are regularly ranked as top tier in many international publications. We have a very strong banking, finance and debt capital market in Indonesia.

To be successful in this role, you should have:

- At least two years of experience as a banking, finance, or debt capital market lawyer.
- Indonesian legal qualification.
- Fluency in English and Bahasa Indonesia (spoken and written).
- An excellent academic record coupled with strong legal skills and a commercial mindset.
- An ability to work to tight timeframes, collaboratively and at times autonomously.
- Exceptional communication and time-management skills.

If you have what it takes to be part of us, please send your application letter and CV in English and your academic transcripts to [recruitment@hbtlaw.com](mailto:recruitment@hbtlaw.com) with the email subject of: Banking and Finance Associate – [Your Name].

### DIVERSITY & INCLUSION

We aim to have a diverse, innovative culture where high performance, client focus and highly engaged people are our differentiator and where we celebrate the uniqueness of our people. Our firm is made up of people with a range of experience and backgrounds. We strive to ensure that our inclusive environment means our people feel valued and able to perform at their best by being their authentic selves at work. We know that our future success not only depends on being innovative and progressive in the changing legal market but, most importantly, on our people feeling engaged.
